Craig Ogden	Guitar
Martin Roscoe	Piano

City of London Sinfonia and The Holst Singers present

Britons and the Baltics

Stephen Layton's first London concert as Artistic Director and Principal Conductor of City of London Sinfonia combines the string and vocal music by Benjamin Britten with the atmospheric sound worlds of Baltic composers Arvo Part and Eriks Esenvalds. The programme ends with Constant Lambert's most popular work, The Rio Grande – in its day a remarkable experiment in weaving jazz idioms into British concert music.
